Dear Kayne,

Further to my email below regarding pool mosaic I believe there are three options - glass mosaic, ceramic mosaic and porcelain mosaic. Amongst the three I believe porcelain mosaic is the best. (Correct me if I am wrong).

I plan to go for Porcelain mosaic from Piccolo (catalogue attached).

Please go through it and suggest what should be tiles and pattern. My son has made a rough design as below

walls + border: 137 S3

center: 126 S1

450 x 470

© CanStockPhoto.com - csp48312751

center design: 123 S1

What do you think of the above ?

Anything better that you can suggest ?
