Dear Minimol,

Please call me when you get a chance.

Not sure where the confusion! We have communicated in each and every step of our process clearly and spelled out all the steps in the agreement.

Unfortunately seems your petitioner is no longer interested to continue the process.

Best wishes Ravi 919 824 8240

Dear NNI

You do not have any existing facility as per the agreement or not capable to complete the process as the file is from october 2006 onwards with you. You do not have any working office of nurse network international. You Ravi padupula is the one and only staff for the said nurse network international. You are also not full time professional doing the job. But your full time profession is chartered accountant oy yoga trainer or something. You have not any expertise or capability to full fill the job. That i alredy informed the concerned authorities in USA. If you have any progress of my file let me know. Otherwise this will consider as the final agreement termination notice.
