I have filed a Stop-Payment Order with my Bank. I do NOT understand WHY you have ignored my requests to stop taking money that you are NOT owed, and unwilling to refund the money that has been "stolen" from me to date!

The State of Indiana considers any amount stolen above \$500 to be considered "Felony Theft" so tomorrow I will have the Grant County Prosecutor file TWO Felony Theft charges (or THREE if another theft occurs tonight) against Everyday and the Corporation Owner if I have not been FULLY reimbursed by 12:00 noon via Wire Transfer.

THE choice is yours, the Law is on MY Side here and I have every document of proof in my hands. It's going to cost a lot more if I have to fight this, and your negligence has caused me an additional \$150 in overdraft fees to cover the funds you stole, and if my Corporate Attorney has to get involved, you'll be billed \$250 per hour for his fees!

Refund my money....how hard is that to do?
