We're now offering more options

If your travel plans have been impacted by COVID-19 and you were scheduled to travel prior to May 31, you are eligible for a travel credit that will allow you to apply the full value of your ticket to any new flight for up to 24 months, and you might be eligible for a refund depending on the severity of the schedule disruption. Fill out the form below and we will contact you shortly to let you know whether your ticket qualifies for a refund. However, due to extremely high volume related to coronavirus and government-issued travel guidance, please allow up to 21 business days for processing your refund request. If you prefer an immediate travel credit, click [here](#) to claim.
