NARRATIVE
<p>Ernisa Barnwell offers hair braiding classes via online. Currently, she is providing discounts starting at \$499.99 to obtain a business LLC as startup and a certification as a Hair Braider. She was referred to me by someone I know personally. Ernissa has failed to contact me about issues faced with the material, and missing information that needed to be reviewed to pass the course. Overall, the class experience was not professional or complete before it was provided. The class has ended, I still have not completed the material and I was scammed out of \$499.99 as an expecting mother. After sending numerous amounts of emails, text messages and having others contact her as well, I have not been successful at getting into contact with Ernissa. Steer clear and make sure you do your research on businesses even if they appear to be legitimate.</p>
