# THE GREAT JURY FOR THE AMERICAN NATIONAL UNION OF THE UNITED STATES OF AMERICA True Bill of Indictment

## *American National Union of The United States of America v. The American States Assembly*

It has been determined from the evidence in possession of the Great Jury for the American National Union of The United States of America that there is in fact probable cause to charge The American States Assembly for the following crimes based on the evidence presented herein:

On July 6<sup>th</sup> 2020 it was discovered that The American States Assembly had stolen the written and published metes and bounds of The United States of America and claimed the aforementioned as their own, to which is theft of intangible property of the people for The United States of America.

The link below conveys the theft in violation of article 3 of the Universal Declaration of Human Rights, violating the security of persons, by trespassing upon claimed international persons in violation of the Law of Nations and the 5<sup>th</sup> Law of Noah as given by our Creator: Do Not Steal.

Furthermore, on July 10<sup>th</sup> 2020 Anna Von Reitz, speaking on behalf of The American States Assembly as a foreign agent, advocates for slavery in all of its forms against Federal Employees, citizens of the United States, U.S. citizens in violation of all 30 articles of the Universal Declaration of Human Rights as evidenced below:

***“We enforce all three of the Federal Constitutions and the Public Law. Not you. We have the standing, the rights, the records, the material interests. Not you. We are the only legitimate government left standing. Not you. All --- and we do mean "All"--- assets of the State Trusts are ours. Not yours. If you are a Federal Territorial Person, aka U.S. Citizen, we own you. If you are a Municipal PERSON, aka "citizen of the United States", we own you”*** <http://annavonreitz.com/liensandthreats.pdf>

In the same publication The American States Assembly falsifies the established international record of the country styled as The United States of America by arbitrarily creating a non-existent chain of title dating back 9,000 years to disrupt the chain of title of the Original Union

from 1774 brought forth to the present as evidence herein in violation of all 30 articles of the Universal Declaration of Human Rights as well as in violation of the 5<sup>th</sup> and 7<sup>th</sup> Laws of Noah, as given by our Creator:

- 5.) Do not steal
- 7.) Do not bear false witness

***“In fact, our Federation has been in existence for over 9,000 years on this Continent, a little known fact, but worth noting. The United States of America and everything and everyone it represents belongs to us. Not you.”*** <http://annavonreitz.com/liensandthreats.pdf>

Discovered in July The American States Assembly with malice and intent to profit from, is actively scheming to traffic the persons of unsuspecting inhabitants through their organization into the New World Order in violation of all 30 articles of the Universal Declaration of Human Rights, as there is no such thing or status as an American State National or an American State Citizen within the States of the Union nor The United States of America.

***“And then you, like us, will own and possess and control this country and its assets and have your natural and unalienable rights restored and be counted as an American State National or an American State Citizen”*** <http://annavonreitz.com/liensandthreats.pdf>
