Letter of guarantee

Dear Argau Alemayehu Tegen!

The company "SERF" LLC and the Ethiopian company PLC "Glitter Trading & Logistics" entered into an agreement No. G1 / SERF / 2019 dated 21.11.2019 of the year. We also signed Specification № 4 dated 06.08.2020 for the supply of white beans for a total amount of 36,000 (thirty six thousand) dollars.

Our goods are in port since July 27 2020 of the year unmarked. Previously, the customs made concessions to us and allowed us to apply marking in the port, at the moment, they demand to take out the goods from the customs terminal for marking. In order to export the goods, we need to issue a conditional release of the goods, and for this, PLC "Glitter Trading & Logistics" is obliged to provide a Bill of Lading.

We guarantee payment for goods according to this Specification in 2 tranches:
1 tranche in the amount of 18,000 (Eighteen thousand) dollars –after confirmation of receipt of the bill of lading.

2 tranche in the amount of 18,000 (Eighteen thousand) dollars - during 7 days from the date of receipt of the bill of lading.

Please be informed that we have arrangement with Glitter company:

- after we pay 18000\$ to Glitter company they will be ready to issue bill of lading to us.
- The second payment 18000\$ will be paid to Glitter company in 7 days.

We ask you to participate in this matter as an independent party, for the further development of our partnership between our companies.

Thank you for understanding.
