We are pleased to advise you that your return has reached our return department.

It may take up to 3 business days to process your return/exchange.  
We will keep you posted as we continue to process your exchange.

PLEASE NOTE: As the Coronavirus (COVID-19) mandates that safety protocols increase, we are working with less employees in our Returns center. As a result, your return can take an extra 2-4 days to process. We appreciate your patience and apologize for any inconvenience this may cause you.
