Sherry,

Below is a copy of the contract to sell your china through Robbins Nest. We only offer this service for patterns we feel will sell. Now is a good time to list with the Holidays coming up.

Commission Sales Contract  
Name of Seller:

Robbins Nest agrees to list and sell your china at 50% commission. We get top dollar for china we sell.

China must be in good condition without chips, cracks or heavy wear and crazing as we do not have buyers for pieces with these problems. Occasionally, hard to find pieces with light trim wear and/or a minor backside chip will be listed as discounted or will be repaired by us if the piece sells for enough to justify the time and material to repair. Any other chipped or damaged pieces sent to Robbins Nest will be donated to Goodwill if you do not want these returned to you. Pieces donated to Goodwill can be filed as a charitable donation on your tax return.

Robbins Nest will build and pay for the web site, shopping cart and for all technical charges incurred for the listing of the china. You will have your own domain with table-settings.com and you may choose your own title for your webpage. Just tell us what you want the site named when you send or bring the china for sale.

Your china will not be excluded from any sales Robbins Nest runs. General Discounts

normally run at 10% and rarely exceed 15%. Our prices are padded enough to take care of the 10% discount we offer. We will get your approval before offering your china at more than 15% discount or we will absorb the difference in sale price.

Robbins Nest will be responsible in getting the china to the buyer/buyers. We cannot accept credit card sales for merchandise that is not in our possession. Seller agrees to bring or ship merchandise to Robbins Nest. If shipping, please include a copy of this contract in with your china.

Usually shipping UPS will be cheaper than mail if there are several pieces included in your set. We recommend once you have the china packed and weighed that you get quotes from Fedx, Ups and the PO to find the best shipping rate.

Any merchandise left at the Robbins Nest will be treated in the same respect as merchandise the owner owns. Your china will be inventoried, tubbed and your name put on the tub along with your information inside the tub. We keep spreadsheets of all pieces and this will be updated as your pieces sell.

You will receive an email after the merchandise is on the web, and you will be able to check your page/pages at any time to watch the progress of sales. We pay for all pieces sold on the 15th of each month. You will receive a print out of the pieces sold when checks are mailed. At times we do allow merchandise to be placed in lay-a-way if we feel we are dealing with honest buyers.

Seller has the option to withdraw the agreement after a period of 6 months if the china does not sell or the contract is renewable as long as needed for the china to sell.

Seller will not hold the Robbins Nest responsible for any problems or disasters beyond our control that could possibly occur to the china in question. For example: If we are hit by a storm and our property is completely destroyed we would not be held responsible. If "we" break or damage a piece of your china while in our possession we pay you the commission as if the piece sold. This rarely happens but we are only human and even we have accidents.

Consignment sellers will be responsible to maintain record of sales and file taxes if required for any china sold by Robbins Nest.

Packing instructions to insure safe arrival of fragile pieces are listed at <http://www.robbsnest.com/links/packing-instructions.html>. Make sure your china is insured when shipping so you will be covered if any damage occurs.

Sherry,

We are now offering to sell china & crystal patterns on consignment. If this is an option you would like to consider, respond to this email and we will send you a copy of the contract to review.

You can see some of the individuals and businesses we sell for at [www.table-](http://www.table-)

settings.com/ a branch of Robbins Nest. You will have your own domain with our company and can follow sales from your website. Your pattern will also be listed on <http://www.robbinsnest.com/> for double exposure.

You will make more money selling on consignment than selling direct. Dealers offer \$0.25 cents to \$3.00 depending on piece if buying direct and some a lot less. We pay 50% of our retail price for consignment sales.

We have been on the web since 1995, purchased our own domains in 1997 and are known world wide. Robbins Nest has been recognized as Glasgow Best of Business in the Internet Service category, 5 years in a row. We are a member of the Better Business Bureau and we maintain a huge list of customers looking for china patterns.

We get top dollar for china we sell. China must be in good condition without chips, cracks or heavy wear and crazing as we do not have buyers for pieces with these problems. Occasionally, pieces with light wear and hard to find pieces with a minor chip will be listed as discounted.

**Thanks for visiting Robbins Nest,  
Darryl**
