NARRATIVE

UPDATE (New Information for my previous report)

I received a free credit report yesterday (6-24-21) from TransUnion, and I just noticed that there are 5 delinquent accounts under my name not 4 as I have reported earlier via your website. My apologies for this confusion. On this NEW report, I am just adding the account with Credit One as another delinquent account with my name opened by an unknown person.

Once again, I am submitting the first 4 pages of the credit report that show the following delinquent accounts: Capital One (Acct #5178-0594-5651-****) with a balance of \$1,267 as of 5/2021, Capital One (Acct # 5178-0582-1513-****) with a balance of \$10,836 as of 5/2021, First Premier Bank (Acct # 5178-0068-7711-****) with a balance of \$915 as of 6/2021, TBOM/ASPIRE (Acct # 5501-1400-0299-****) with a balance of 0 as of today but it had a balance of \$1,400 on 3/2021 AND Credit One (Acct # 4447-9625-1606-****) with a balance of \$551 as of 6/2021.

I have contacted TransUnion earlier today and have started the process of reporting these delinquent accounts.

Account Information

Typically, creditors report any changes made to your account information monthly. This means that some accounts listed below may not reflect the most recent activity until the creditor's next reporting. This information may include things such as balances, payments, debts, remarks, ratings, etc. The rating key is provided to help you understand some of the account information that could be reported. Pay Status represents the current status of accounts and indicates how you are currently paying for accounts that have been paid and closed, sold, or transferred. Pay Status represents the last reported status of the account.

You have no Account Information reported.

Account Information

Typically, creditors report any changes made to your account information monthly. This means that some accounts listed below may not reflect the most recent activity until the creditor's next reporting. This information may include things such as balances, payments, debts, remarks, ratings, etc. The rating key is provided to help you understand some of the account information that could be reported. Pay Status represents the current status of accounts and indicates how you are currently paying for accounts that have been paid and closed, sold, or transferred. Pay Status represents the last reported status of the account.

Rating Key

Some creditors report the timeliness of your payments each month in relation to your agreement with them. The ratings in the key below describe the payments that may be reported by your creditors. Please note: Some but not all of these ratings may be present in your credit report.

N/R	X	OK	30	60	90	180	COL	VS	RD	CO	FC
Not Reported	Unknown	Current	30 days late	60 days late	90 days late	180+ days late	Collection	Military Surrender	Repossession	Charge Off	Foreclosure

Accounts with Adverse Information

Adverse information typically remains on your credit file for up to 7 years from the date of delinquency. To help you understand what is generally considered adverse, we have added brackets to those items in this report. For your protection, your account numbers have been partially masked, and in some cases scrambled.
