# CoinDeal Update

## 08.08.19 Great News!

---

I am sending this important update to you and other loan partners who have put their faith, trust, and confidence in me, for which I remain grateful.

**Great news! Our deal closed!**

Our man, the seller, is currently in route back home from the East, for tomorrow (our Friday) he will register the closing documents with the U.S. District Court.

Then, the first of next week, after the International bank in Seoul, South Korea, can see the court posting, the money will begin to flow. Then we only wait for Homeland Security to do it's thing.

**Yippee! Yippee! Yippee!**

Do you hear the tapping of shoes?  
That's me doing the Irish jig I promised months ago!

About bonus #5, and the 30-to-1, I'm going to leave that open until the bank starts sending wires. This will give you a few more days to add to your wealth portfolio.

Payout information and Amy's instructions are below:

Here is that timeline description:

1) If you have loaned the seller a total of \$5k or more since June 6, you will earn a 20-to-1 return retroactively on any previous contributions, up to July 1 at 4:00pm Eastern.

2A) Beginning July 1 at 4:00pm Eastern, any loan contribution, whatever the amount, earns 25-to-1 - **thru August 3 at 1:00pm Eastern.**

**2B) Beginning August 3 at 1:00pm Eastern,** any loan contribution, whatever the amount, **earns 30-to-1 and a share in the new bonus pool #5, until I receive notification the deal has closed.** After closing the return will go back to 25-to-1 for one week.

3) We NOW have a total of **5** bonus pools, of which every contribution during that specified time will receive a percentage of the total:

- a) The first three, I am sharing 5mil with my team and keeping one,
- b) The 4th one I am sharing 6mil with my team and again keeping one mil for myself.
- c) The 5th one I am sharing 5mil and is effective for all NEW pledges/contributions from August 3 at 1:00pm Eastern (NOT retroactive) until closing. All of these scenarios are of course subject to a successful closing...

...Obviously there is a little more time to accumulate wealth for your portfolio and I hope for your sake you can get as much as

possible.

To contribute send Amy your new pledge, minimum \$125 but up to any amount. **Be absolutely certain to use the subject line: "Bonus #5 / 30-to-1"** so I can keep track of who qualifies for 30-to-1 AND Bonus #5.

New loan pledges and corresponding contributions at the 30-to-1 return, will be given a percentage (based on amount of contribution), of the 5 mil bonus pool #5. As always, by making a loan contribution there are no refunds or guarantees as the participation form has always said, and at the link below clarifies this in writing.

See the form for bank wires and checks, **and to confirm we are still accepting contributions** (if it is down the opportunity is closed) - at this link:  
[www.TheICANetwork.com/coins](http://www.TheICANetwork.com/coins)

Then, and **this is important**, send Amy an email at [amysue.ican@gmail.com](mailto:amysue.ican@gmail.com) (without the spaces) with the subject line **"Bonus #5 / 30-to-1"** and this information:

- 1a) The amount you are sending,
  - 1b) along with the statement  
"This qualifies for a 30-to-1 return and bonus #5"
  - 2) Your full name
  - 3) Your email address
  - 4a) Check number, or
  - 4b) What it cost you to send the wire, because... I want to accurately identify your wire with you and when I get paid for helping the owner out and he pays me back, I will also reimburse you for the cost of sending the wire (but not at 30-to-1, just whatever it cost you to send the bank wire).
- Any questions then please immediately email Amy.

Please do not email me individually about this, I promise to keep you updated. I have a small fortune of my own invested in this endeavor so it is equally important to me.

Thank you,

Mike G.

When this closes, not before, I may receive compensation for sharing this with you but I would not tell you anything unless I felt very good about it. The details of the deal and opportunity are as per the terms included at the loan contribution form.
