You thieves took yet ANOTHER payment? I guess the Stop-Payment Order wasn't filed early enough at the Bank today to "prevent" that from happening!

I am giving you until 12:00 noon tomorrow, Friday November 1st, to Wire Transfer the \$1788 that you have STOLEN from me. At 1:00 p.m. I will meet with the Grant County Prosecutor, and file THREE Felony Theft charges against Everyday and the Corporation Owner.

This is NOT a "joke" and I WILL take action, and it will happen fast! I helped the Prosecutor get elected, he's my friend and I was his #2 Campaign Donor ;)

Please do the RIGHT thing, and refund me the money that you illegally took from my Bank Account!!!
