Stephanie;

The contract was for \$14,900 deducted @ \$596.00 per day for 25 payments. Payment #26 was deducted tonight Sept. 28th.

Please refrain from taking any additional payments, and I expect you to refund the extra \$596 that you took from me!

Your payments came out on these days. Do you need my Bank Statements as proof?

So this payment you took on the 28th should NOT have occurred. Please fix this. Thank-you!
