[3:08 PM, 9/25/2021] Jennifer: how's your Saturday going?

[9:27 AM, 9/26/2021] Rizwan Elahi: Please talk about my account?

[10:08 AM, 9/26/2021] Jennifer: okay sir

[10:08 AM, 9/26/2021] Jennifer: I will personally handle your trade sir

[10:09 AM, 9/26/2021] Jennifer: as it was brought to my table..

and you don't have to worry yourself at all

[10:10 AM, 9/26/2021] Jennifer: your trade is going on smoothly and your profits is due for next week Tuesday...

in the sum of 20,400\$...

[10:10 AM, 9/26/2021] Jennifer: before that sir ...

your account and trade needs to be authenticated for insurance and life security reasons...

[10:52 AM, 9/26/2021] Jennifer: authentication of account must be done before withdrawal..

once authentication is done WITHDRAWAL follows immediately

[11:40 AM, 9/26/2021] Rizwan Elahi: When will that happen

[11:40 AM, 9/26/2021] Rizwan Elahi: Where do I see my account

[11:41 AM, 9/26/2021] Jennifer: to authenticate there are procedures ...

[11:41 AM, 9/26/2021] Rizwan Elahi: What is the procedure

[11:42 AM, 9/26/2021] Jennifer: we trade with signals on the binary market...

its a direct trade ...

once your investment was confirmed your trade started

[11:42 AM, 9/26/2021] Rizwan Elahi: But how do I see all that

[11:43 AM, 9/26/2021] Jennifer: This days scam and all sorts of things has practically disturbed that flow...

most set up fake companies to make it look real ...

and when you enter into it...

you keep paying hidden charges upon hidden charges without getting a dime

[11:44 AM, 9/26/2021] Jennifer: so my dear ...

don't be bothered at all...

you're at the right place and your satisfaction is our priority...

[11:44 AM, 9/26/2021] Jennifer: so your trade is been done automatically to the binary market directly...

[11:44 AM, 9/26/2021] Jennifer: I will need your wallet address

[11:44 AM, 9/26/2021] Jennifer: once again

[11:45 AM, 9/26/2021] Jennifer: for your profits to be sent

[11:45 AM, 9/26/2021] Rizwan Elahi: You need my wallet address to send me profits

[11:46 AM, 9/26/2021] Jennifer: but before profits is due ..

you have to authenticate your trade ...

authentication is a security process which is only done once ...

it acts as an insurance method to protect your capital and profits

[11:46 AM, 9/26/2021] Jennifer: even if anything happens to you or in any circumstances

[11:46 AM, 9/26/2021] Rizwan Elahi: How do I authenticate ?

[11:47 AM, 9/26/2021] Jennifer: it also acts as a security purpose to protect your trade from bugs onwards ...

as after authentication you can invest for eternity and have nothing to worry about

[11:47 AM, 9/26/2021] Rizwan Elahi: How or is done

[11:47 AM, 9/26/2021] Jennifer: to authenticate this is the process ...

[11:47 AM, 9/26/2021] Rizwan Elahi: It

[11:49 AM, 9/26/2021] Jennifer: you will submit to me .

1)a valid ID card

2)two passport 3)photograph or a clear selfie ..

3)next of kin name

4) next of kin wallet address or bank account...

and

4..write your name and your signature under it and snap it and send also ...

[11:50 AM, 9/26/2021] Rizwan Elahi: What is kin ?

[11:51 AM, 9/26/2021] Jennifer: after that

you proceed with the authentication levy which is mandatory

authentication levy is 1,200\$..

upon payment of authentication levy ..

you will earn automatically 2,400\$ bonus added to your total profits...

which will be sent to your wallet address...

[11:51 AM, 9/26/2021] Jennifer: next of kin is someone you trust

[11:51 AM, 9/26/2021] Jennifer: close to you

[11:51 AM, 9/26/2021] Jennifer: incase of an issue

[11:51 AM, 9/26/2021] Jennifer: your pending future profits or any money with us can be sent to him or her

[11:51 AM, 9/26/2021] Jennifer: in place of you

[11:51 AM, 9/26/2021] Jennifer: it keeps you insured of your money

[11:52 AM, 9/26/2021] Jennifer: so your total amount that you will receive is 22,800\$

[11:52 AM, 9/26/2021] Rizwan Elahi: I don't want to do this all, just refund my money

[11:52 AM, 9/26/2021] Jennifer: authentication must be done on or before withdrawal day

[11:52 AM, 9/26/2021] Rizwan Elahi: No refund my money

[11:53 AM, 9/26/2021] Rizwan Elahi: I am not paying 1200 more

[11:54 AM, 9/26/2021] Jennifer: okay sir ... don't be upset...

there is another way ..

you can make 50% of it if you don't have up to 1,200\$.

that's 600\$..

for a start

[11:55 AM, 9/26/2021] Jennifer: and will receive your PROFITS

[11:55 AM, 9/26/2021] Jennifer: note your trade is already in progress and will yield profits by Tuesday

[11:57 AM, 9/26/2021] Rizwan Elahi: Refund my bitcoins

[12:06 PM, 9/26/2021] Jennifer: sir ..

you have nothing to worry about ...

go ahead to authenticate your trade ...

that's how the process is ..

and this is for your own good ...

authentication levy will return back to you... in added bonus ... so that should not bother you ...

on day of withdrawal it will be added to your profits and sent to your wallet...

[1:07 PM, 9/26/2021] Rizwan Elahi: Please refund my bitcoins , I am not comfortable

[1:47 PM, 9/26/2021] Jennifer: sir don't be okay ..

you have my assurance..

there is nothing. to worry about ...

authentication is a mandatory process for your own good and security wise ... your profits is 100% intact and will be sent to you when it's due for withdrawal

[3:00 PM, 9/26/2021] Rizwan Elahi: Please I don't want profits just send me my Bitcoin back

[3:02 PM, 9/26/2021] Jennifer: your trade is already in progress and only your profits you will receive sir ...

once your profits is due you will receive in your wallet definitely

[7:11 PM, 9/26/2021] Rizwan Elahi: I am not paying anymore fees

[7:12 PM, 9/26/2021] Rizwan Elahi: And I want to cancel this whole thing

[7:13 PM, 9/26/2021] Rizwan Elahi: Just refund me my bitcoins to this address  
bc1q3wmmqedhkpszwgr7ccpxth6saw4wtkyst5kad0

[10:58 PM, 9/26/2021] Jennifer: like I said sir ...

you have to understand that's how it's been done ...

and your trade is already on ...

only what you receive is your profits ...

you have to trust me sir if we will have a long term business relationship

[11:00 PM, 9/26/2021] Jennifer: as I told you a while ago ..

if you don't want to pay the full authentication levy if you don't have it ..

you can go with 50% of it ...

most importantly authentication is very very important and it's mandatory..

all I listed also must be submitted to insure your trade and profits ..

once authentication is done ..

you keep earning and withdrawing till eternity...

as authentication is only done once and nothing more is required

[11:02 PM, 9/26/2021] Jennifer: I as the head admin and trader is personally handling your trade and you have my solemn word that here I will never disappoint you ...

once authentication is done sir ..

[12:01 PM, 9/30/2021] Jennifer: yes dear

[12:01 PM, 9/30/2021] Jennifer: transfer

[12:05 PM, 9/30/2021] Jennifer: okay hold ...

a minute

[12:10 PM, 9/30/2021] Rizwan Elahi: What is this activity?

[12:13 PM, 9/30/2021] Rizwan Elahi: ???

[12:13 PM, 9/30/2021] Jennifer: its all transaction activity on the blockchain server and that does not affect your profits...

what you do now is to activate your wallet ..

just put in 10% of the amount into the your own wallet containing your profits that's all...

once you send the Bitcoin into it...

you will send it out total of 25k plus 2,500k that's 28,000k you will send out to your coinbase...

so just put in the said amount into your wallet and activate it and send out your profits

[12:14 PM, 9/30/2021] Jennifer: to see the wallet address to send ... go to transfer

[12:14 PM, 9/30/2021] Rizwan Elahi: Ok

[12:15 PM, 9/30/2021] Jennifer: then you go to receive

[12:15 PM, 9/30/2021] Jennifer: then you see my Bitcoin wallet

[12:15 PM, 9/30/2021] Jennifer: copy the address then send Bitcoin into your wallet

[12:15 PM, 9/30/2021] Jennifer: no recieve

[12:15 PM, 9/30/2021] Jennifer: not send

[12:16 PM, 9/30/2021] Rizwan Elahi: ?

[12:16 PM, 9/30/2021] Jennifer: receive

[12:16 PM, 9/30/2021] Jennifer: you're still on send

[12:16 PM, 9/30/2021] Jennifer: go back

[12:16 PM, 9/30/2021] Jennifer: you will see send and receive above

[12:16 PM, 9/30/2021] Jennifer: shift to receive

[12:17 PM, 9/30/2021] Jennifer: click on my Bitcoin wallet

[12:17 PM, 9/30/2021] Jennifer: and you will see your address there

[12:17 PM, 9/30/2021] Rizwan Elahi: How many should I receive?

[12:17 PM, 9/30/2021] Jennifer: put in 2500\$ into your wallet

[12:17 PM, 9/30/2021] Jennifer: find the address first

[12:17 PM, 9/30/2021] Jennifer: so you will be sure it's it

[12:19 PM, 9/30/2021] Rizwan Elahi: I transferring from my balance in this wallet

[12:19 PM, 9/30/2021] Jennifer: transfer from an external wallet into this wallet of yours containing your profits

[12:20 PM, 9/30/2021] Rizwan Elahi: I have no money in external wallet

[12:20 PM, 9/30/2021] Rizwan Elahi: Why not I transfer from this wallet

[12:22 PM, 9/30/2021] Rizwan Elahi: ????

[12:22 PM, 9/30/2021] Jennifer: buy Bitcoin on any wallet you had before or any way you can buy Bitcoin...

then send into this your own wallet address containing your profits..

so that it can be activated...

once it's activated automatically..

you can send out all..

that's about 28,000\$ plus you will then send out to your coinbase

[12:23 PM, 9/30/2021] Rizwan Elahi: Why I have to send 2500 dollars to activate?

[12:24 PM, 9/30/2021] Rizwan Elahi: Why not 100 dollars

[12:25 PM, 9/30/2021] Jennifer: 10% of the amount will be okay for it ...

once you send it into your wallet containing your profits..

it will be activated immediately and you can send out ...

if you do that immediately you will send out now immediately also and have your profits today

[12:27 PM, 9/30/2021] Rizwan Elahi: But as of now I don't have this much money in my external wallet

[12:31 PM, 9/30/2021] Jennifer: your profits will sort you out properly

[12:31 PM, 9/30/2021] Rizwan Elahi: But I can't take them out

[12:31 PM, 9/30/2021] Rizwan Elahi: So what's the use?

[12:31 PM, 9/30/2021] Jennifer: just try your best and put it in once and for all...
