I am at the end of my rope, I ordered through you because I read all the reviews and they were all positive and now this is happening to me. Could someone PLEASE help me?

You say , I can reorder, but I don't want to have to pay for it again. It was already paid for. I paid \$99.00 dollars for it back on December 6th, 2021. Look up my order#4915 and you will see what my charge was. It has been 52 days since the order was placed. I don't know how I would reorder it and NOT being charges for it twice. I continue asking for help and have only gotten excuses. Please help me or I will have to contact the BBB to report this fraud.
