Tell us what happened and how it happened:	<p>Neuroleptic malignant syndrome and tardive dyskinesia inflicted by Shannon Kerr and Karen S Brown Memorial psychiatry 2600 mg of Seroquel nightly them in their fake paperwork land every time I've requested my medical records they never provide them and it's a huge cover-up for the pharmaceutical companies and the hospitals to kill people and turn them into pills! Him and his door knob scene! He knew that I had advanced Hyperglycemia and Leukemia as well as extra ribs on my neck because he's 20 years older than me when I thought he was only 13 and he lied through his teeth for over 12 years! I told him to take that pill syndrome of his and if he's not willing to take the pills how can you push it on other people that he doesn't know anything about? The fact that he sleeps with a gun under his pillow every night is a clear indication that the man is out of his damn mind! John Doe number two identified Timothy McVeigh Oklahoma City bombings five stolen cars including the one that was targeted in Springfield Missouri because he can't deal with his own life spiritual espionage! Reported Dr. Karen Brown to the Texas medical board on more than one occasion most recently March 2022</p>
