Office of Inspector General

Requesting information about your complaint

Every report we receive is important, however, not every submission results in an investigation.

Once submitted, we will review your complaint for relevance and completeness. If you have identified yourself, a reviewing official may contact you for further information. It is important to note that you might not be contacted by an investigator but that does not mean your complaint is not being investigated. Due to the high volume of complaints we receive, it is not possible to contact every complainant. The Hotline will not be able to confirm receipt of your complaint or respond to any inquiries about action taken on your complaint.

You may request information about your complaint through the OIG Freedom of Information Act officer (<https://oig.hhs.gov/foia>). Remember to phrase your request in terms of a search for records pertinent to your complaint, not status. You should wait at least six months before filing such a request.

Your narrative**Your description of events**

FRAUDULENTLY Charged me for x-rays as well as overcharged for two extracted teeth, fraudulent billing extortion of money United healthcare paid them almost \$300. Each tooth should've only been \$85 to extract with only one and a half shots of Novacaine no surgical anything but they made almost \$1000 on something that should've only been \$200 and my portion \$30 Disputed it with chase bank because I was forced to pay them almost \$600 \$587.50 and I explained it to CHASE BANK that it was extortion and then they reverse the charges because I'm not sure but I want my money back, and these people committed Medicare fraud, dental fraud and then they referred me to Upstate oral maxillofacial and those people made me sit there for almost 4 hours and then they wanted to turn me into a commodity over period of 10 years with crowns and various other things when I already have a \$7000 implant in my head since 2015 and they wanted to remove that 7000 or implant and put dentures in my head or turned me into a commodity and I refused Luckily, I didn't pay Upstate anything, but both of those organizations need to be shut down for extorting money from people and Medicare fraud. That's huge that's a mess I have a total of 14 Spartanburg County sheriffs department representatives all the way up to the captain by the name of Shaffer, as well as chief KEEL and agent clamp with South Carolina law enforcement, division, on behalf of My CWP CURRENTLY WITH AGENT, CLAMP INVESTIGATIVE STATUS AS A BEHAVIORAL SPECIALIST

Online public workbook through Google see the tabs within the workbook, primarily not paid expenses and all rip off report tabs

To date, nothing has been paid to me. These people been paying themselves for five years, and everybody associated on the rip off report tab needs to be put out of business. All assets seized and turned into a human commodity for \$1 billion a head on behalf of the Central intelligence agency, I'm not sure

throw the book at them know this is ridiculous.

I am a victim of the Wyndham hotel chain human trafficking ring, and my two service dogs are in the custody of Spartanburg county canine unit as of August 2021. AAA should've been paying my hotel stay the replacement of all of my belongings everything and they still haven't paid me anything they're just paying themselves.

Spoke to Captain Schaeffer mid August before leaving the last of the hotels where I was gassed in my hotel room, as well as my mother and she assaulted me yes but there's a good reason for it clearly but not

Anyway, these people have been trying to kill me and anybody that I have associated with in order to cover up the fact that they owe me billions of dollars at this point and this needs to end and the United States marshals. Also have a report May of this year on behalf of my service animals in order to line up with Spartanburg County's investigators and Springfield MO Police Department and green county police department to recover three more service animals in Springfield from my apartment, plus the relocation of all my belongings from Hawaii to Texas to South Carolina and Missouri and the crime victims compensation commissions refused to return phone calls just like AAA just like anybody they I don't even have a rental car my car stolen. It has been stolen since December 12 of 2020. This is going on long enough. Their games are not appreciated it's not their money every \$5000 transaction is traced by the FBI immediately and I also have for office of inspector general reports against all of these assailants Involving Social Security fraud and trying to steal my Social Security money that's always been directly deposited in the last one was tampering with the phone systems and blocking my phone from reaching the Social Security main number as well as the representative at the SSA office in Spartanburg and her numbers work for everybody else but for some strange reason their numbers are not working for me so I had to make another report. It is what it is terroristic behavior tampering with electronic systems, according to the FBI.

Novocain is included in the extractions, but they decided to not include it. They also charge me for x-rays as previously mentioned when they shouldn't have even had x-rays in my teeth, and God only knows how long almost 10 years again they shouldn't be in business you're nothing without your patience. Any half Brainwood know those things, but they just decide to do whatever they want apparently.
