To whom it may concern:

I am writing in response to an e-mail I recently received from Michael Creel concerning an assertion made against him to XXXXXX. I have reason to believe that the assertion was made by an individual I am currently prosecuting for felony theft named Julian Cauvin.

The charges against Cauvin are proceeding in King County Superior Court, in Seattle, Washington. Cauvin has demonstrated a pattern of attempting to harass witnesses that the State intends to call against him and I believe that he may be behind the latest effort involving Mr. Creel.

Mr. Creel is not under investigation by the Bellevue, Washington, police department. That agency received a complaint from Cauvin, and determined it to be baseless.

If you have any questions, please feel free to contact me directly any time at (206) 296-9070 or by e-mail at david.seaver@kingcounty.gov .

Thank you very much for your consideration.
