

THIS IS LETTER SENIOR PROSECUTOR DAVID SEAVER SENT TO JUDGE ASKING FOR ADDITIONAL CHARGES AGAINST MR. CAUVIN. MR. SEAVER NEVER MENTIONS ABOUT FRAUDULENT DEEDS, LIEN OR BURGLARY MR. CREEL, MS. SMITH OR MR. BELEC COMMITTED.

POLICE COVER UP - THIS LETTER IS BEING USED AS EVIDENCE FOR CIVIL RIGHTS VIOLATION COMMITTED BY STATE OF WASHINGTON AND KING COUNTY

I am writing in support of the petition of Ron Belec, Michael Creel, and Marcia Smith for a civil order of protection against Julian Cauvin. Mr. Cauvin is currently the subject of a criminal action filed in King County Superior Court (cause no. [protected] SEA). I am the deputy prosecutor assigned to this case.

It is anticipated that Ms. Smith will be needed to testify in the trial that may occur in the coming months in the above-referenced action. Mr. Belec and Mr. Creel have provided useful information regarding Mr. Cauvin's actions and behaviors. Ms. Smith, Mr. Belec, and Mr. Creel have reported to me that they believe they have recently been subjected to harassment by Mr. Cauvin, and their reports to me bear the ring of truth, though further investigation is warranted before additional criminal charges are filed.

I believe it is appropriate, under these circumstances, for a civil order of protection to be granted to them. It is my hope that such an order would discourage Mr. Cauvin from engaging in any further acts against these individuals, would provide them with some well-deserved peace of mind, and would allow the justice

system to move forward on the above-entitled action more effectively and efficiently.

Thank you for your consideration.

Sincerely,

David Seaver
