Vue #646128

Vuer 175732

You wrongly rejected this Vue. I made absolutely sure this was the right address and I made sure that your calculating scheming eyes also saw the picture with the no trespassing sign on the property since the Waipahu rejection the previous day was a setup to try and increase the chances that I would enter and trespass on the President's Home property right across from the campus security base the next day. You are clearly watching me and my Vue execution patterns and are thus also aware that they are being completed properly, but are trying to trigger something through these organizations.

I'M DONE WITH YOU and I should've listened to myself a month ago and terminated this parasitic and abusive relationship then and there...now I am!

I'm gonna tabulate the wrongfully denied payouts and then delete this \$#!+ off my phone! ***HOW DARE YOU ABUSE AND TRY TO MISTREAT ME LIKE THIS!***

THAT. IS. *NOT*. TRUE!!!

I just sent you screenshots and evidence showing you that I am clearly correct!! You're not even looking at or considering what I am sending, which clearly shows that are wrong. This is especially despicable given the small amounts of payout!

I. WAS. AT. THE. CORRECT. ADDRESS. and you rejected the Waipahu Vue the previous day using the made-up gate excuse hoping that that would increase the chances that I would enter the residence property open gate since you watch the patterns I execute the vues and knew that I would probably do the ones I did the next day.

At any rate I AM DONE WITH YOU! You won't abuse me like this and waste my time again as you did yesterday!

What is your agenda here and why are you doing this? If this involved more money I'd file a civil case against you because this is so disgusting!

The entire BYU property has the same address but the instructions specifically request photos of the church property on campus. If you'd rather not complete, please unclaim and your rating won't be affected.
