Vue #646735 was failed **WRONGLY** with excuse that I should trespass ***WHICH I WILL NOT*** to take pictures that have been usually been taken and accepted with telephoto camera of the fourth rear corner of the property. I need to be paid for this Vue. This is just disgusting how you people are mistreating me! I am vuer #175732. I have completed vues of this location at least twice over the past months and have completed it the same and it wasn't sent back. There was a crowd of kids from the nearby school all around the area and I managed to get you your pictures and data without them in the picture and then you have the nerve to try to lure me back to the property **UNNECESSARILLY** to take more pictures.

You need to pay me for this work. I am adding up these wrongfully denied vues and will be pursuing further complaint if I have to. ***STOP*** treating me like this!
