 Subject: Square feet  
 To: Guy Parkin <[guy@hometeam-llc.com](mailto:guy@hometeam-llc.com)>

Here's their information from the County. Ground level 1630 and basement 1570. The County at some point did not know the basement has been finished out. If you remember downstairs at all it's all finished out now and a couple areas they use for storage. It's all useable square footage now

Thank you Guy!

Respectfully,

Todd Bunger
