Dear User

You will receive the appropriate tax bill only when we submit the tax to the IRS, so we will collect the tax from our users in advance. We hope that you will cooperate so that you can withdraw all the funds in your account, otherwise it will remain frozen for withdrawal!

I want the official CXIPRO form in the pdf format.

This is becoming scary

Email detailing all this is not official

I don't want to believe that this is a scam with all the effort I have put in this

Please send me a tax form with the taxes I owe

CXIPRO reviews online is painting a wrong picture

Dear User.

As CXIPRO is commissioned by the IRS to collect taxes from CXIPRO users. It doesn't matter which country you are from, as a CXIPRO user you need to cooperate to pay the tax, your total profit is 78,214 USDT, so no matter how much you withdraw, you need to settle the tax on your profit before you can withdraw it, if you don't pay the tax, then your account funds will be frozen, and you will be able to withdraw your funds in full.

Once you have paid your taxes, your account will be released, account restrictions will be lifted and you will be able to withdraw your funds in full.

I am based in Canada and don't deal with IRS. Why was this not related to me when I opened the account and started trading

I am not withdrawing the whole amount. Only 100000 is what I am requesting to withdraw and therefore why am I paying taxes for 78214?

Please clarify

Thank you

Dear users.

As the IRS and CXIPro impose a joint tax on cryptocurrencies.

To prevent money laundering or tax evasion, CXIPro is entrusted by the IRS to collect taxes from CXIPro users. Your total profit is 78,214 USDT and the tax point is 18% of the total income, totaling 14,078 USDT. Prevent tax evasion or money laundering.

The total tax amount of 14,078 USDT needs to be transferred to your CXIPro account. We'll automatically deduct the transferred funds for you and send you a tax certificate email to confirm that you've paid your taxes.

Paying taxes is the obligation of every American citizen. The IRS and CXIPro are working together to combat tax evasion and money laundering.

Once you have paid your taxes, your account will be released, account restrictions will be lifted, and you will be able to withdraw your funds in full.
