BITCOIN IRA

Hi William,

Congratulations on your Bitcoin IRA account and an incredible year in the crypto world!

Our records indicate we will be collecting ongoing maintenance fees from assets inside your IRA account. These fees are collected by our custodial partner, Digital Group.

As a reminder, these fees pay for the exclusive BitGo wallets insured for \$100 million dollars, with military-grade security configurations and protocols, as well as your ongoing trust maintenance.

[Your current statement is available here.](#)

If you would like to continue paying with your IRA account, no further action is needed.

In the event, you would like to pay with an alternative method, please choose an option below:

Register & Pay with EARN

(Earn 2% on Bitcoin and 2.7% on Ethereum to offset fees)

If we do not receive an alternative method in next 5 business days we will move forward with payment from your IRA account.

Have questions? Please call [844-700-3112](tel:844-700-3112) or [schedule an appointment](#) and we'll gladly assist you.

Sincerely,

The Bitcoin IRA Team
