This is a case of Sellers remorse where the Dealer is attempting to undo a Finalized and completed contract for sale. See attached Bill of Sale dated 08/31/2024. This deal was negotiated over several days and long distance via internet, email and telephone and involves a trade in and cash difference. The dealer has a 1968 classic Mustang Convertible and I have a classic 1965 Mustang Fastback that we both agreed to swap vehicles and I paid \$32,000 cash difference via wire transfer on 09/03/2024 as requested to do by the dealer.

Both parties relied upon photos and descriptions made by both parties and the Dealer approached me to do the trade plus pay a \$32,000 difference which I agreed to do and did in fact do on 09/03/2024 after each party agreed to and executed the bill of sale.

The dealer then send me a Fed Ex email to send them the title to the trade in 1965 Mustang which I did on 09/05/2024 and they also promised to send me the title to the 1968 Mustang I purchased and they sent me the tracking information to the title I was to receive as promised.

The transaction was going as expected until the Dealer's owner, Shawn Wark all the sudden cancelled to transport that was scheduled to pick up the trade in and told the transport driver he wasn't going to honor the deal any longer.

The Dealer is now in breach of contract and refuses to release my 1968 Mustang to the transport I had scheduled and also cancelled sending me the title to the 1968 Mustang as well.

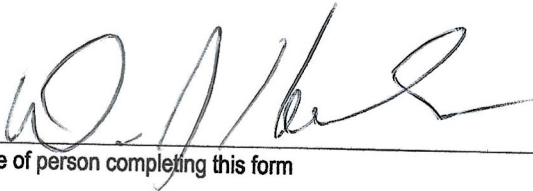

I am Demanding that the Dealer fulfil the terms of the contract (Bill of Sale) and release the 1968 Mustang and title to the same IMMEDIATELY!

I WILL NOT accept any renegotiations of the transaction and I WILL NOT allow the Dealer to simply return the money they've been paid in full simply because they have had Seller Remorse.

The Deal was Finalized and Completed and the Dealer signed off on the deal and they had ample time to do their research on the trade in before they decided after the fact they are not happy with the deal they made.

They are a licensed and bonded Dealership and I am holding them to the deal they entered into contract on 08/31/2024.

I certify that the foregoing statements made by me are true. I understand that if any of the statements made by me are willfully false, I am subject to administrative, civil or criminal penalty. I authorize the New Jersey Motor Vehicle Commission to investigate the information provided in any way necessary.
