MINERALS COMMISSION
ACCRA**

Dear Sir,

PETITION

RE: RANDOLPH BALLARD JR., ESQ.
ATTORNEY AT LAW

Please, find attached a copy of a petition by RANDOLPH BALLARD JR., ESQ. on behalf of one Rev. John Simpson relating to a Prospecting Licence purportedly granted to A.G Marketing Ltd.

The petitioner alleged that his client's licence has been re-issued to A.G Marketing Inc., Maryland by the Minerals Commission based on a resolution that was purported to have been passed by the company and signed by a third party company known as General Service Consultancy Ltd. instead of the company secretary, Mr. Simpson, contrary to the company's code.

The petitioner alleges further that the Minerals and Mining Law has no provision that permit the action taken by the Minerals Commission and that the action was also without the consent of the Provisional National Defence Council (PNDC) Secretary.

The petitioner is appealing for the Hon. Minister's intervention and a return of the licence to its rightful owners.

I have been directed by the Hon. Minister to request the Minerals Commission for comments and advice for his attention.

Counting on your usual cooperation.

Yours faithfully,

CHRISTOPHER ANORKE
TECHNICAL DIRECTOR, MINES
